

CAPTAINS INFO **2016 HALIBUT DERBY**

Please read the Derby Rules and Regulations. They contain start time, weigh-in times and locations, Team Rules, and fishing range.

Safety at sea is our chief concern. The Derby will be cancelled if a Small Craft or more severe weather is predicted; and a drawing will be held for the Derby prizes.

Check with the National Weather Service for weather conditions; and while it is the decision of the individual boat captains to determine the safety of weather conditions, MDRA urges *caution* during periods of inclement weather.

- Monitor VHF Channel 72 during the Derby for boater announcements and prizes.
- Additional T-shirts will be available for purchase at the weigh-in dock on Saturday April 9th and Sunday April 10th.
- The weigh-in dock is located at the South West side of Burton Chace Park on the H Basin near the Club's White Seabass Pens.
- Awards Party on Sunday, April 10th at 4 PM--- Music, food, raffles and cheering of winners.
